

**DID YOU KNOW...?**

You can **Request Development** for the Melett parts you need.

### How can I request development?

Simply click this button wherever you see it on the website...

	OE No.	Melett No.	Details
Turbocharger:		<a href="#">Request Development</a> ⓘ	<a href="#">Details</a> ⓘ
CHRA:	3539071	<a href="#">1153-025-901</a> 🔍	<a href="#">Details</a> ⓘ
Nozzle Ring Assembly:		<a href="#">Request Development</a> ⓘ	
Nozzle Ring Cage:		<a href="#">Request Development</a> ⓘ	
Turbine Wheel:		<a href="#">1401-404-438</a> 🔍	<a href="#">Details</a> ⓘ
Comp. Wheel:		<a href="#">1153-025-400</a> 🔍	<a href="#">Details</a> ⓘ
Repair Kit :		<a href="#">1153-025-751</a> 🔍	<a href="#">Kit PDF</a> 📄

### How does it work?

- All development requests are reviewed by our in-house product management team
- Approved projects enter the Melett development programme
- Once parts are developed, you will be informed by New Product Bulletins sent via email
